

Sorting Prefixes

Upper Elementary

Directions:

Discuss how some words begin with prefixes. Prefixes are groups of letters that are placed before a word to change a word's meaning. Today we will be working with the prefix "dis." When the prefix "dis" is added to a word it means "opposite," "against," or "apart." Today we are going to look at some words that begin with the letters "dis." Some of the words will contain the prefix "dis," while some will have the same spelling and pronunciation, but not contain the prefix "dis." It is your job to sort the words in the word bank into the correct column.
